

WE ARE PREFERRED

MEETING CONSTRUCTION NEEDS WITH SUPERIOR QUALITY AND CUSTOMER SERVICE

Need concrete, a custom "Ready" mix or asphalt? At Preferred Materials, we've got you covered.

Doing business with Preferred is a smart choice. Working with an efficient, single source for all your needs saves time and money, and creates a seamless approach to construction materials management. We're your preferred provider for:

- ASPHALT
- READY MIXED CONCRETE
- "READY" CUSTOM CONCRETE MIXES
- CONCRETE BLOCK
- BUILDING MATERIALS
- CONSTRUCTION SERVICES
- REINFORCING STEEL

A world of possibilities is available to supply almost any major building material or service needed.

- **LOCATION:** We're in major growth markets of Florida, Georgia and South Carolina.
- **PROJECT SIZE:** We're perfectly positioned to partner with both public and private customers of any size. Our customers who need specialized resources for full service project delivery are served by our Construction Services team.

Throughout our company, Quality Control by Preferred Materials is unmatched in the business, simply by the number of accredited labs covering our service areas, including:

- Four concrete CMEC-accredited Quality Control labs in Florida where managers develop and rigorously test our mixes, offering customized solutions to meet specific building industry needs.
- 15 asphalt Quality Control labs, including 13 in Florida, and one each in Georgia and South Carolina.

Once you've done business with Preferred, you'll understand. Quality products. Safety first. Your trusted partners. That's just how we do business. **Isn't that what you prefer?**

OUR PEOPLE MAKE THE DIFFERENCE

Our unique combination of concrete and asphalt products and services isn't the only thing that sets us apart. Why do so many customers prefer doing business with us? The people of Preferred make the difference. Employees strive to do what may seem impossible every day, and they're empowered to do whatever it takes to meet our customers' needs.

At Preferred Materials, every employee is committed to fast, responsive service, and that proactive approach drives every decision we make.
